# 11th Annual "Dogs for the Cause"

Let's Review the  
History of our Event...

*Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity throughout his life, I knew I wanted to give back to my customers, as well as raise money for a good cause.*

*Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born. We found local sponsors who donated money towards the event, as well as to the charity we had chosen. With the help of our sponsors and all of the generous boaters on Lake Freeman, we have donated over \$46,000 to charities since 2005! We thank everyone involved for their support.*

## OUR CHARITY:

**Food Finders Food Bank's  
Twin Lakes Food Pantry**

The Food Pantry is designed to meet the needs of families in the Twin Lakes School District at times when other resources are not available. The school administration selects the eligible families and once a month those families receive food. Volunteers work the pantry and help identify families in need. The Food Pantry is made possible through volunteers, generous donations and grants. More info: Contact Patty @ 765-543-9188.

### Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I wanted to shed light on a commonly unknown problem and I also felt it was time we give back to the local community. I am proud to be raising money for Food Finders Food Bank and hope to bring more attention to this fantastic charity.
