Welcome Back

Dear Lake Freeman Friends-We are so excited to be back (and with water levels up again)! Last season threw us for a loop when the lake levels dropped a second summer in a row, but so many of you still came by land to support us and we appreciate it beyond words!

If you haven't yet been back this season (we miss you, come see us!), you'll notice we have a brand new dock (thank you Twin Lakes Enterprise) - treat it kindly as we put our heart, soul and life savings into making it happen!

For the time being, we have decided as a team to continue offering our inside items (Ice Cream! Candy! Drinks! & More) to you dockside and have window service available for walk-up customers. If you'd like a chance to check out our nice selection of Tervis Tumblers, Lake Freeman Wooden Signs & More, be sure to browse our online catalog (coming soon) www.SusansFreemanBay.com/shop.

Thank you all for continuing to support us each summer and we look forward to your visit!

Guidelines for Visiting:

- **Potty Business**

Yes, the Portable Restroom is available and you may use it at your own risk (but seriously...put some shoes on)!

- **Our crew will give you a menu & gladly take your order to deliver you an unlimited amount of items from inside**

You may even call in your "order" ahead of time to have it ready when you arrive (#Spoiled)!

- **Please Do Not Enter Our Store**

Hey, maybe we will change our minds on this one later, but for the time being, please ~~stop whining about~~ ENJOY the excellent dockside service you are receiving!

- **Maintaining Distance As We Refuel Your Boats = SAFE FILL**

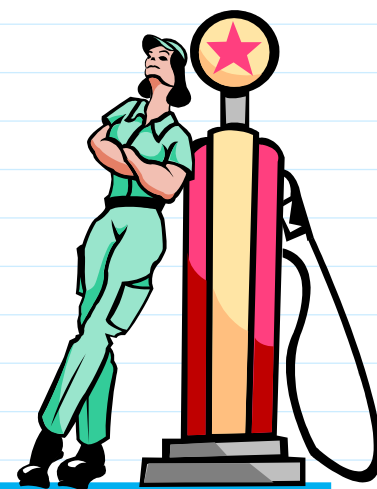

Please do not crowd the gas filling area— for many reasons (gas blowback, fumes, unevenly distributed weight throughout boat impedes refueling, stinky pits, etc...)

- **No Smoking! Anywhere!**

While at Freeman Bay, there's no smoking allowed in your boat, on our dock, on our walkway, on our stairs, by our gas tanks, by (or in) the portable restroom, on our driveway, in our grass...

*Repeat after me: "Smoking is allowed **NO WHERE!**"*

- **Enjoy your visit and we look forward to seeing you again soon!**

In Memory

In February, we lost beloved crew member, **Mya** Thompson (alongside her mother, **Steph**). While the loss of our sweet friend has devastated us, our other crew member, Ayanna, lost her mother & sister. We continue to lift up Ayanna while we also remember and honor the incredible lives **Mya** & **Steph** lived. Out of Respect for Ayanna, we appreciate any condolences offered, but also ask that you remember the delicacy of her situation and respect her privacy. Please continue to pray for Ayanna and her dad, Jason, as they mourn their loss.
