# Let's Review the History of Our Event

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity throughout his life, I knew I wanted to give back to my customers, as well as raise money for a good cause. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born. We found local sponsors who donated

money towards the event, as well as to the charity we had chosen. With the help of our sponsors and all of the generous boaters on Lake Freeman, we have donated over \$115,000 to charities since 2005! We thank everyone involved for their support! Our event also honors my mom, Susie, who was just as much an inspiration to me as my dad. She looked forward to serving hot dogs every year just so she could chat with all of you! She is sorely missed at our event each year!

## OUR CHARITY: Food Finders Food Bank

Food Finders provides food and connections to life-stabilizing resources when their neighbors need them the most. Food Finders' programs include a Mobile Food Pantry, Fresh Market, Resource Coordination Program, Senior Grocery Program, SNAP Outreach Program, Education Program, Backpack program, and an Agency Partner Program.

The Food Pantry is made possible through volunteers, generous donations and grants.

## Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I felt it was important we give back to the local community. I am proud to be raising money for Food Finders and hope to bring more attention to this fantastic charity.
